Message:

Dear Mr. Martinez

The City of Callexico has just inaugurated a 5 acre regional park in the vicinity of the Victoria Park Subdivision. It is truly a nice area for kids and families to play, exercise and enjoy outdoor activities. The park also included a toddler area and playground set for kids 5-12 years old.

I would like to request to you and your fellow Committee members that you consider naming this park after our fallen police officer Adrian Cordova. He was an outstanding young man with a bright future and his mother has been a tremendous asset and a great lady to our City.

Please consider this request that I am sure my fellow colleagues on the Council would support.

Sincerely,

LOUIS Fuentes

Mayor
